INDIANA UTILITY  
REGULATORY COMMISSION

CAUSE NO. 41268-INT-88-RD-01

RESPONDENT: )  
VERIZON NORTH INC. d/b/a )  
GTE NORTH INCORPORATED )

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On March 17, 2004, FBN Indiana, Inc. ("FBN") filed its *Complaint* against Verizon North Co., Inc., d/b/a GTE North under 170 I.A.C. 7-7-1, *et seq.*, the Commission's Expedited Procedure for Resolving Interconnection Disputes Between Telecommunications Carriers.

An attorney conference was held to determine an expedited schedule in this matter on Tuesday, March 30, 2004, at 1:30 p.m. in Room E 306 of the Commission. At that time, FBN and Verizon appeared by counsel. A procedural schedule was determined as follows:

1. **Petitioner's Prefiling.** The Petitioner shall prefile with the Commission the prepared testimony and exhibits constituting its case-in-chief on or before April 21, 2004.
2. **Verizons' Prefiling Date.** Verizon shall prefile with the Commission the prepared testimony and exhibits constituting its case-in-chief on or before April 29, 2004. Copies of same should be served upon all parties of record.
3. **Petitioner's Rebuttal Prefiling.** The Petitioner should prefile with the Commission its prepared rebuttal testimony on or before May 6, 2004. Copies of same should be served upon all parties of record.
4. **Settlement.** The parties shall attend a settlement hearing on May 10, 2004. Should the parties reach settlement on all or some of the issues, the parties shall notify the Commission

immediately and provide a copy of the proposed settlement to the Commission for Commission review.

5. **Evidentiary Hearing on the Parties' Cases-In-Chief.** The cases-in-chief of the Petitioner, Public and any Intervenors should be presented in an evidentiary hearing to commence at 2:00 p.m. on Wednesday, May 12, 2004, in Room E306 of the Indiana Government Center South, Indianapolis, Indiana. At such time, the direct evidence of the respective parties should be presented and their respective witnesses examined. Thereafter, Petitioner should present its prefiled rebuttal evidence as well as any additional evidence rebutting evidence adduced on cross-examination of Public's or Intervenors' witnesses.

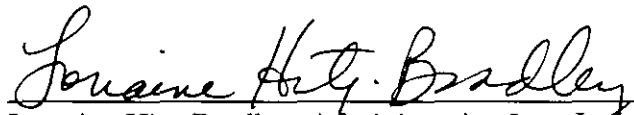

6. **Discovery.** Discovery is available for all parties and should be conducted on an informal basis. Any response or objection to a discovery request should be made within five (5) calendar days of the receipt of such request. Any objection not made within five (5) calendar days will be deemed waived.

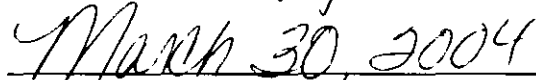

7. **Prefiling of Workpapers.** When prefiling technical evidence with the Commission, each party should concurrently file copies of the work papers used to produce that evidence. Copies of same should also be provided to any other party requesting such in writing. When submitting workpapers to the Commission, two (2) copies of each document should be filed with the Secretary of the Commission.

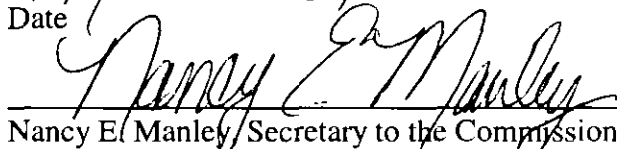

8. **Number of Copies/Corrections.** With the exception of work papers, the parties should file with the Commission an original and thirteen (13) copies of all prefiled testimony and exhibits. Any corrections to prefiled testimony should be made in writing as soon as possible after discovery of the need to make such corrections. Although the Commission's rules require that original copies be one-sided, it is the Commission's preference that duplicate copies use both sides of the paper.

9. **Intervenors.** Any party permitted to become an Intervenor in this Cause should be bound by the record as it stands at the time its Petition to Intervene is granted, pursuant to 170 I.A.C. 1-1.1-11.

**IT IS SO ORDERED.**

  
Lorraine Hitz-Bradley, Administrative Law Judge
